

# ENTERPRISE PROCESS MANAGEMENT

# The status quo is not an option. Xcelerate's process improvement solutions and certification courses ensure your mission readiness and provide you with enduring problem solving capabilities.

Our enterprise projects operationalize your vision, expressed through strategic organizational plans. With each project, we use agile methods to drive rapid results. We establish key performance criteria and performance management systems via real-time dashboards to transform your organization from reactive to proactive.

## CAPABILITIES

We innovate for you, based on your vision and objectives, to bring measurable results to your mission. In this world of dynamic change and complexity, we specialize in helping our clients understand, measure, and mitigate risk across the enterprise.

**“Xcelerate is the best continuous process improvement contractor with whom I've worked in over 20 years in the private sector management practice and 5 years of Federal Civil Service.”** — BRANCH CHIEF, DEPT. OF HOMELAND SECURITY

---

**ECONOMY** – Government-based analysis of Xcelerate’s CPI work has shown a financial return on investment of 15 to one. That is, \$15 saved for every dollar spent.

**EFFECTIVENESS** – The Office of the Secretary of the Department of Agriculture has recognized Xcelerate’s work as a best practice in enabling grant and records management and performance effectiveness.

**EFFICIENCY** – The Xcelerate CPI Team developed and deployed four national systems of record based on our rapid initial analysis and prototyping capability.

**ENGAGEMENT** – The Xcelerate training and mentoring SMEs have a consistent track record of 99% user satisfaction on evaluations from hundreds of student professionals across multiple Government agencies.

---

We take pride in helping our clients comply with Executive Orders and related legislation, such as GPRA, the Comprehensive Plan for Reorganizing the Executive Branch (EO 13781), NDAA, the Farm Bill, Records Management, and the Risk Management Framework. In March 2017, EO 13781 directed all Federal agencies to present a comprehensive plan for reorganizing for effectiveness and innovation. Xcelerate’s consulting team is well-positioned to execute the lifecycle of this and future Executive Orders, from compliance to ensuring ongoing mission success.

## SECURE PROCESS IMPROVEMENTS. DELIVERED.

---

# ROI 15:1

TOTAL ENTERPRISE SAVINGS REALIZATION

DHS TRANSPORTATION SECURITY ADMINISTRATION (TSA)

Through strategic planning, enterprise project management, Lean Six Sigma training and mentoring, and agile information prototyping, **Xcelerate has delivered \$100M in cost avoidance and the potential for more than \$300M in replication.** Our Lean Six Sigma SMEs collaborate across offices to establish systems of record for incident reporting, asset tracking, threat assessment, and knowledge management.

# ADVANCED

RISK MODELING AND RESOURCE FORECASTING

DHS FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA)

Xcelerate helps address infrastructure requirements that facilitate **effective and efficient rapid response to environmental catastrophes.** We implement inter-office projects that align states and national requirements, to include cycle time and financial oversight.

# 48-70%

REDUCTION IN GRANT PROCESSING TIME

USDA NATIONAL INSTITUTE OF FOOD AND AGRICULTURE (NIFA)

Xcelerate streamlines and optimizes all aspects of the grant management lifecycle to help guide a culture change of precision agriculture. Our near real-time end-to-end dashboard enables NIFA to readily manage grants from budget allocation to fund distribution, including financial oversight.

**Xcelerate focuses** on helping organizations develop and execute operational Strategic Plans, with actionable goals and objectives, aligned with Agency strategic objectives.
